Paideia Newsletter | September 2018

Welcome back to our returning families, and welcome to our new students and their families. We hope that you have had a lovely summer. The 2018 – 2019 school year promises to be great, with many new students joining us in our common goal to promote and preserve Greek Language and Heritage in our city!

2017-2018 Highlight

The very first students who started with the grade 1 Paideia curriculum in 2014, successfully participated in the Ellinomatheia Exams. Our grade 4 students demonstrated a high level of proficiency in Greek, and obtained Level A1 Greek Language Certification. More information about the results will follow in a different newsletter. Bravo to all of our students! We are so proud of you!
