

Paideia: Our Vision

We encourage you to join the Paideia Network.

Our vision: Opportunity and success through language and culture. Learning different languages and being immersed in a variety of cultures can transform your life. We aim to provide learning opportunities for everyone, from children in preschool all the way up to high school and university. We are committed to help our students achieve their full potential so they can have a positive impact on the global community. We strive to be recognised for providing the highest quality of Greek Language & Heritage services to the Paideia community. The Paideia Committee and the Paideia Department of Education extend an open invitation to all Greek communities and Organizations to work together and in partnership to achieve our common goals and vision.

Sincerely,
